Hi Mr. Saeedy,

The FOIA tracking case number was very helpful in locating the EPA's response. Attached is a copy of the letter that was issued on 8/24/2021 to the email address on file. Please let me know what else I can do for you. Glad to help!

Respectfully,

Hi Wanda! So, the original request I made was under the following number: EPA-R2-2021-005390

I believe it was combined with another request, however, made by Patricia Borns of the US Virgin Islands Source.

You had mentioned we would receive any documents by October 1.

Looking forward to your update!

All best,  
Alex

Hello and congratulations to you Mr. Saeedy on your new job with the Wall Street Journal! I hope it's going well for you!

If you give me the FOIA tracking number you received upon submitting the request via the FOIAonline portal, I'll be able to share specific details with you. Thanks!

Hi Wanda!

It's Alex Saeedy, and I hope this email finds you well.

We were last in contact while I was still an employee at Reorg Research. I'm now working for the Wall Street Journal on the bankruptcy beat, which means I am still actively covering the ongoing Chapter 11 case involving Limetree Bay Refining.

I wanted to make sure you had my new contact information as I am still very interested in receiving the requested FOIA that myself and other reporters have requested related to audit reports the EPA mandated Limetree Bay to complete prior to any reopening.

I would be happy to hear any update you might have there, and whether I need to do anything on my end (make a new FOIA account, etc) to ensure access to that information once it is disseminated.

Many thanks. Please give me a call if I can answer any questions! 917-882--2476

All best,

Alex
